The Board recognizes the T.S.A.A. as the exclusive bargaining agent of its members as defined by Connecticut General Statutes Section 10-153b, provided, nothing in this Agreement shall obstruct the Board in the performance of its legal duties and authority as mandated by the General Statutes of the State of Connecticut.

DURATION

This Agreement made and entered into on the 9th of September, 2019, by the Board and the T.S.A.A. The Agreement becomes effective July 1, 2020 and extends through June 30, 2023.

If the total cost of a group health plan or plans offered under this Agreement meets the thresholds that would trigger an excise tax under the Internal Revenue Code Section 4980I, the parties agree to reopen this Agreement for the sole purpose of negotiating over health insurance.

INSURANCE AND BENEFITS

- 3.1 The Board shall provide a policy of insurance for each Administrator. The policy shall be a high deductible health plan with a health savings account.

Administrators shall pay the following premium share contributions:

- July 1, 2020 – June 30, 2021 - 20.5%
- July 1, 2021 – June 30, 2022 - 21.5%
- July 1, 2022 – June 30, 2023 - 22.5%

On an annual basis, in the event that the Administrator and his/her family members on the Board's health insurance plan completes a health risk assessment and biometric screening, his/her premium share for the ensuing contract year shall be reduced by one percent (1%).

Accordingly, by way of example, in the event that the Administrator and his spouse and dependents completes a health risk assessment and biometric screening during a contract year, the Administrator will receive a one percent (1%) reduction in his premium share contribution for the subsequent contract year.

On July 1st of the subsequent contract year, the premium share set forth herein shall be in effect for the Administrator. Accordingly, the reduction in the premium share by one percent (1%) shall be based on the then current premium share negotiated by the parties for the contract year in question, as set forth herein.

The health risk assessment shall be:

- A vision exam (in accordance with the frequency requirements of the health care provider);
- Women's Wellness (a mammogram and/or clinical breast exam in accordance with the frequency requirements of the health care provider); and

An Administrator shall receive a prorated contribution toward his/her HSA, if the Administrator: (a) is hired by the Board after the commencement of the applicable plan year; or (b) he/she elects health insurance after the commencement of the plan year due to a change in status.

The prorated amount of the contribution shall be based on the first day that the Administrator is covered under the plan through June 30th of the applicable contract year.

A HSA is not health insurance, it is a bank account. The parties acknowledge that the Board's contribution toward funding the deductible is not an element of the underlying plan, but rather relates to the manner in which the deductible shall be funded for active employees.

- 3.3 The Board provides a life insurance policy with accidental death and dismemberment benefits equal to two times the Administrators' base annual salary. In addition, the Administrators may purchase additional group term life insurance at his/her own expense.

The Administrator may enroll for insurance coverage at the earliest date permitted under the rules and regulations of the Board's insurance carrier at the commencement of the next quarter following such request. The Administrator shall reimburse the Board the prorata share of the reimbursement he/she received.

Prior to any change in carrier, the proposed change shall be discussed with the TSAA. Any dispute as to the contention that coverage is not equal may be submitted directly to the American Arbitration Association. Such submission must be filed within twenty (20) calendar days from the meeting where the issue was discussed with the TSAA. The Board will not change to the new insurance carrier until the arbitrator's decision has been issued in writing. If no grievance is submitted within the twenty (20) day period, the Board may implement the change of carrier.

- 3.7 The Board of Education will provide a paid life insurance policy in the amount of one hundred seventy-five thousand dollars (\$175,000.00) for any Administrator who retires up to age seventy-five (75). In order to be eligible for this benefit, the Administrator must be at least fifty-five (55) years of age and have served the Thomaston Public Schools as an Administrator for a period of ten (10) years.

This benefit shall apply only to those Administrators employed by the Board on or before June 30, 2011.

The Board shall provide a life insurance policy in the amount of fifty thousand dollars (\$50,000.00) for any Administrator who retires up to the age of 75 years old who is employed by the Board after June 30, 2011. - 3.9 As part of an Administrator's duties and responsibilities, Administrators are expected to be accessible to the Board at all times. Consequently, except as set forth below, at the Administrator's expense, Administrators are required to secure and maintain cellular telephone equipment, cellular voice services and data services, in part, to provide the Board with access to the Administrator. In lieu of the Administrator using his/her own cellular telephone, an Administrator may be provided with a Board provided cellular telephone (at the Administrator's option) in order to fulfill the duties and responsibilities of the Administrator noted herein.

Each Administrator who uses his/her cellular telephone in order to comply with this provision of the Agreement (and does not choose to use a Board provided cellular phone), shall receive a stipend of sixty dollars (\$60.00) per calendar month toward the cost of the Administrator's cellular telephone equipment. Such stipend shall be withheld in the event that the Administrator displays a pattern of inaccessibility.

The stipend (or the Board provided phone) is afforded to each Administrator since such equipment is required to be used by the Administrator: (a) in order to remain accessible; and (b) to perform duties and responsibilities required of his/her position with the Board.

Any Administrator whose appearance at a grievance hearing is necessary without loss of pay shall be released and without charge against any leave.

ARTICLE XV **SUBSTITUTE ADMINISTRATORS**

- 15.1 If it is deemed necessary by the Superintendent, an Administrator will be required to substitute for an absent Administrator.

If an Administrator is required by the Superintendent to substitute for an absent Administrator, for each full day the Administrator substitutes for the absent Administrator, in addition to his/her regular pay, the substitute Administrator will receive the difference between his/her per diem pay rate and the per diem pay rate of the Administrator he/she is substituting for, provided such pay rate is higher than the substituting Administrators' per diem pay rate.

- 15.2 If an Administrator is required, in writing, by the Superintendent to act as his/her designee: (1) when the Superintendent is out of district; or (2) in emergency situations, the designee shall receive the Superintendent's per diem rate (in lieu of the Administrator's per diem rate) for each full work day the Administrator is designated to fulfill such duties.

ARTICLE XVI
SEPARATION AND RECALL

16.1 Reasons for Elimination of Professional Staff Positions

16.1.1 It is recognized that the Board has the sole and exclusive prerogative to eliminate professional staff positions, consistent with the Connecticut General Statutes, providing such elimination does not result in a failure in its duty as a state agency to implement the educational interests of the State and to provide good public elementary and secondary schools. Elimination of professional staff positions may result from decreases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board.

16.2 Definitions

16.2.1 As used herein, the term “days” shall mean calendar days.

16.3 Procedure

16.3.1 The Board may, in the first instance, exercise its right and power to reduce the number of administrative positions without determining which Administrator contracts will be terminated, if any, or what staffing will be made to effectuate the purpose of position elimination.

16.3.2 Prior to commencing action to terminate Administrator contracts under this procedure, the Board will give due consideration to its ability to effectuate position eliminations and/or reduction in staff by:

- (1) voluntary retirements;
- (2) voluntary resignations;
- (3) transfer of existing administrative members;
- (4) voluntary leaves of absence.

16.3.3 In the event that it appears necessary to terminate Administrator contracts in order to effectuate the elimination of professional staff positions, the Superintendent will propose to the Board, for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination. If the Board terminates an Administrator’s contract, it shall authorize the Superintendent to notify the Administrator, in writing, that the Board is terminating his/her contract.

Such notification, and any subsequent proceedings with regard to contract termination, will be in accordance with the provisions set forth in Connecticut General Statutes Section 10-151.

16.3.4 The following criteria will be used to select those employees whose contracts are to be considered for termination as a consequence of elimination of professional staff positions;

- (1) **Tenure Status:** If any Administrator has attained tenure status, his/her contract of employment may be terminated if his/her position is eliminated, but only if there is no other position available in the school system for which the Administrator is certified and qualified. Therefore, Administrators who have acquired tenure will have first preference for retention in positions for which they are certified and qualified. This shall include first preference with regard to positions that are held by teachers, in addition to positions which are open and available.
- (2) **Other Criteria:** Within the separate categories of tenured Administrators and non-tenured Administrators, the following criteria will be considered:
 - (a) areas of certification;
 - (b) in schools where there exists assistants, the position eliminated shall be deemed to be the position of the most junior member;
 - (c) total years of experience in the Thomaston School System;
 - (d) in the event total years experience in the Thomaston School System is equal, total years of administrative experience shall be considered.

16.4 **Recall Procedure**

16.4.1 If the contract of employment of an Administrator is terminated because of elimination of positions, the name of that Administrator shall remain on such recall list for a period of three (3) years unless such Administrator obtains employment as a public school Administrator in another district during that period. Administrators on the recall list shall be recalled based on the order of layoff (administrators laid off first shall be recalled first).

Notice of recall shall be at least twenty (20) calendar days prior to the anticipated date of reemployment. The Administrator shall accept or reject the appointment in writing within five (5) calendar days.

If the appointment is accepted, the Administrator shall receive a written contract within twenty (20) calendar days of receipt of the Superintendent's receipt of the administrator's written acceptance of such appointment.

Upon reemployment in a permanent position the Administrator shall be given full credit on the salary schedule for all previous teaching experience credit.

If the Administrator rejects the appointment offer, or does not respond accordingly to this procedure within the five (5) calendar days, then the name of the Administrator will be removed from the recall list.

A laid off Administrator who accepts a long-term Administrator substitute position shall not accrue seniority while working as a long-term Administrator substitute for up to one (1) continuous calendar year from the date he/she commences work in the substitute position. After one (1) continuous calendar year in such position, he/she shall commence accruing seniority.

16.4.2 The Board shall publish the recall list prior to April 1st of each year.

16.5 **Policy Provisions Not Applicable to Promotions**

16.5.1 Nothing herein shall require the promotion of an Administrator to a position of higher rank, authority, or compensation, although the Administrator whose contract is to be terminated because of elimination of position is qualified and/or certified for the promotional position.

ARTICLE XVII

- 17.9 The balance of the annual dues shall be deducted from the final paycheck of any employee resigning his position, receiving a leave of absence or terminating his employment after the opening of school.
- 17.10 The right to refund to employees monies deducted from their salaries as under authorization shall lie solely with the T.S.A.A. The T.S.A.A. agrees to reimburse any employee for the amount of any dues deducted by the Board and paid to the T.S.A.A., which deduction is by error in excess of the proper deduction, and agrees to hold the Board harmless from any claims of excessive deduction.
- 17.11 The T.S.A.A. shall indemnify and save the Board harmless against all claims, demands, suits, judgments or other forms of liability which may arise by reason of any action taken in making deductions and remitting the same to the T.S.A.A. pursuant to this Article.

ARTICLE XVIII
SPECIFIC PERFORMANCE

- 18.1 In the event or breach of anticipatory breach of any of the terms or provisions of this Agreement, either party shall have the right to institute and prosecute an action to secure an order or decree directing the specific performance hereof or enjoining such breach. Such equitable relief shall be in addition to any award of damages, which they would otherwise obtain.

ARTICLE XIX

- 19.1 On an annual basis, each Administrator shall receive two thousand two hundred dollars (\$2,200.00) in additional remuneration for purposes of engaging in and attending activities outside of the workplace.

Such remuneration shall be paid throughout the work year in addition to the Administrator's regular remuneration. In the event an Administrator ceases to be employed by the Board during any contract year, he/she shall not be eligible for any remaining portion of the additional remuneration.

ARTICLE XX
DISCIPLINE

- 20.0 An Administrator who has completed his/her probationary period shall not be given a verbal warning, written warning or suspended without just cause, provided, however, verbal and written warnings shall not be subject to arbitration under Article V.

The termination of a non-probationary Administrator shall be in accordance with applicable law.

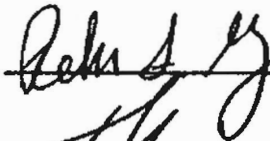

ARTICLE XXI
SEVERABILITY

21.1 In the event that any provision or portion of this Agreement is ultimately ruled invalid for any reason by an authority of established and competent legal jurisdiction, the balance and remainder of this Agreement shall remain in full force and effect.
