### **2020-2021 Transfers**

*Policy 3160 (Business/Non-Instructional Operations-Transfers of Funds Between Categories) states, “The Superintendent, or their designee, may transfer any unexpended or not contracted portion of any appropriation for school purposes to any other line item of such itemized estimate up to a limit of \$5,000 for any one occurrence.”*

*November Transfers: There are no transfer requests for December.*

### **2020-2021 Projection**

*The 2020-2021 budget projection shows a \$23,595 deficit. The Salary line items are running a deficit because of additional hires due to COVID and the additional social worker that was hired. The Employee Benefits line item is running a surplus because of less people on insurance than anticipated. The surplus in the Other Professional Services line is because of lower than budgeted substitute teachers through Kelly Services. Pupil Transportation is showing a surplus because of our ability to share costs using our transportation consortium. The Tuition line item is showing a deficit because of additional outplacements. The Other Purchased Services and Due and Fees accounts are showing a surplus because of less field trips, sports trips and referee costs due to COVID.*
