MEMO: Emergency Remote Learning Schedule

Parents/Guardians, Students, and Staff,

This is the emergency remote learning schedule to be used if we have a school closure for a single day, multiple days, or extended period of time due to inclement weather or COVID-19. If a school closure due to weather or COVID-19 were to occur please reference the emergency remote learning schedule on the following pages. This schedule is to help our students, staff, and families prepare for synchronous remote learning in case of an emergency school closure.

This message is in no way intended to be a sign that we will be going remote, it is simply a proactive announcement.

Thank you,

Thomaston High School Administration
