Assignment of Former Home-Schooled Students to Classes

Placement of resident home-schooled students who seek to be readmitted to the District's schools will be determined by the Principal who shall consult with members of the professional staff to the extent appropriate. The Principal may direct that a test or tests be administered to help determine grade level. In addition, the Principal is authorized to collect from parents/guardians actual samples of coursework as he/she deems necessary in order to make the determination that the requisite academic standards have been met. The decision of the Principal may be appealed to the Superintendent. In the event that the parent/guardian is still dissatisfied, the assignment may be appealed in writing to the Board of Education.

A home-schooled student seeking admission to a District school must meet all residency, age, health examination, immunization and other eligibility prerequisites as mandated by State law and regulations.
