

## **Bylaws of the Board**

### **Orientation of Board Members**

The Board of Education and the administrative staff shall assist each new member-elect to understand the Board of Education's functions, policies and procedures, and operation of the school district before the member takes office. The following methods shall be employed:

1. The incoming member shall be given selected materials on the function of the Board of Education and the school district.
2. The incoming member may attend, at district expense, workshops for newly elected members as approved by the Board of Education.
3. A special orientation meeting shall be held.
4. The Board Chairperson may request a veteran Board member to mentor a new member.
